Headliner: Dr. Aaron –

From ND, at age 18 was going to join the Navy while going through the physical part found out he had Thyroid
Cancer which changed his life plan

Ended up going to chiropractic school

Moved to Seattle to learn the non-bone cracking method of Chiropractic

-get your head on straight and the rest of your body will straighten out

-bone cracker vs non bone cracker

- bone crackers do a touch and feel

- non bone crackers take X-rays of head and neck and

work on putting spine in line
